Dovetail Games announces Train Sim World® 2: Northern Trans-Pennine: Manchester - Leeds Route Add-On, the second of four railway expansions for the award-winning Train Simulator®. This add-on for Train Simulator® contains four new routes, a new route list, and five new train sets. The Northern Trans-Pennine route was a dream route for many Train Simulator players since the release of the first add-on - Great Western Railway. The Manchester to Leeds route is the latest addition to the Northern Trans-Pennine track and offers an exclusive four-week summer timetable. The timetable is available from April 2, 2012 to October 31, 2012 and gives players the opportunity to travel on the new tracks before the official opening on April 21, 2012. The new track allows players to travel to the seaside resorts of Blackpool, Morecambe and Ashington as well as on the north east coast. 2d92ce491b
