It's the beginning of a whole new way of looking at a fantasy world, the way Peter Jackson sees it. So that was kind of the idea. But the art director at Weta has this wonderful drawing on the wall that was a scene in the middle of The Two Towers. I looked at that and thought, 'that's what it's all about. This is where it started. All of this stuff is coming from that, I can only hope that it will all make sense one day. I've been in this world for 22 years.
