I bought Adobe (Design and Web Premium CS6) on the 25th of September 2010 from a store called iNetWork Software. How do I get my serial number for this product? It didn't come with a CD. The CD is stuck in the box, so I don't have it, and I can't find it on the site at all. The box was black, the serial number is stamped in gold on the back of it. It's either a problem that I've made or not made. Please help! Oct 29, 2010 i have to buy the designer and web premium, so how do i know what the product key is?
