Ragnarok is one of the most recent ransomware that has appeared in recent years. A brute force decryption tool has been released, but you should be careful with its application. Download: Additional Information: First of all I would like to thank Alex for taking the time to do this interview and answering my questions. What do you like to drink? What is your favorite local beer? I'm usually a big beer guy. I'm definitely not into a lager (my favorite style would be a rye IPA) but I will drink plenty of them. There's a great pub in the Sonoran desert named the Reel Time Cantina that I drink regularly and I'm a big fan of their beers. What is your favorite movie? I think I've seen every James Bond film there's been except for the new one. But I can tell you that the new one won't be my favorite. Is there anything you're doing that has been great so far? Everything has gone really well. I'm excited about what the future holds for me. What is your favorite burrito? I really
