The answer may be a key, a new pair of shoes, a rented movie, or an exotic vacation. If so, how do we know who has been more daring or different to activate an itch we have, a hunger we have, and a bad mood we have? If we all can make our boredom official or, to the contrary, conform our mind to a painful obsession, if we can find what we need to learn that will help us move or change our minds, and if we can learn to tap into a reservoir of energy that may lead us to have the courage to become all that we are capable of becoming, then we will be successful.
