Game nights are underway! Join us for a night of super-fun as we play classic titles from the past. Also on the docket is a new game: A tribute to the classic board game, Monopoly. Overwatch and League of Legends are also scheduled to be played, along with some other fun stuff. We look forward to seeing you there. Themes available for download below. Moonsiege You're stranded on a strange planet, and all you can do is survive. You start out in a room with a few weapons, but slowly you'll find more weapons and armor as you head toward the center of the map. The key to your survival is to find what weapons you need, before you run out of ammo. Play Moonsiege now, free on the Windows Store. Tabletop Simulator As children playing at tables became adult games players, the hobby of tabletop gaming advanced by leaps and bounds. Players could take their favourite tabletop games and play them over the internet using a variety of means. People no longer had to settle for their local game store to get the games they wanted. Technology advanced, allowing for more realistic gaming, and seeing the variety of games out there at present, it's clear that gamers want that same realism. So the future of tabletop gaming looked bright as many of the success stories of the past (such as Dungeons & Dragons) brought it into our homes. Tabletop Simulator allows gamers to play board games that run right inside of Windows 10. Trouble has a way of following me home. It only takes a few seconds before I'm back there again; at the bottom of the stairs in the snowy mountains. Picking up an object that could be anything, even a cereal box. My imagination spirals out of control, as I try to remember everything that was done before and almost succeeds in doing so. In the end, as I'm about to push through the door, I notice something's amiss. I stop, look up and the door opens by itself. A message on the screen tells me that I've been found. There is only one way out, and it must be taken alone. Proton Pulse It's late in the year. The nights have begun to get cold, and everyone's starting to spend more time indoors. The hordes of

EAGLE HILLS, Ala. — There were a few more reasons than usual to celebrate, as seniors Samuel “Boobie” Wallace and Alex “Mercede” Mercedes scored among a number of GoBee's best offensive playmakers in a 68-58 win against St. Benedict's at Gadsden City Park on Saturday afternoon. Mercedes, who has been GoBee's leading scorer this year as well as a dynamic big man on the court, had a number of highlights. “Mercede” dunked from the block on a pass from senior wing D.J. Evans and later had a three-pointer and a slam in the final five minutes of the game. Wallace added 17 points with seven rebounds on 6-of-7 shooting from the field including 5-of-8 from long range. The result was a double-digit win for GoBee (5-3), who was coming off its first loss at home, 42-20 at Jacksonville Armbrust against Highlanders. “I don't want to take the focus off the fact that we had a second game in two nights,” said GoBee's coach Oscar Williams. “But I really want the guys to enjoy this win. We certainly didn't play our best today, but we're not going to be able to play that way every game. We just have to learn from what we did today and our focus is going to be on Wednesday, where we have the week off. “Our focus is going to be a lot of confidence building and winning games,” added Williams. “We've done a lot of fighting and hard work this year. Sometimes the results aren't what we want. But we have a lot of good people, good coaches and a great team to work with. If we keep working hard, this year will be a good year for us.” Williams has been busy getting his team back on 6a5afdab4c
