A: Use onclick="return confirm('hello');" instead. You can avoid JavaScript altogether by using: This is an anchor tag as a replacement for the anchor tag. The overall goals of the Developmental Research Program (DRP) of the GCRC are to generate new research ideas and enhance the research capacity of GCRC-affiliated investigators to create new knowledge that can enhance the health of individuals with cancer, and to conduct biomedical research that will enhance the clinical care of persons with cancer. Research relevant to the cancer focus of the NCCTG has been developed by GCRC-affiliated investigators at the Clinical Center, and they benefit from the collaborative and multidisciplinary nature of the Program. The DRP ensures that the pool of promising research ideas created by the GCRC-affiliated investigators is used to stimulate and support GCRC-sponsored research. The DRP has been used to recruit patients
