The FIFA franchise has been a reality of football to the players, the fans, and the media for 25 years. The FIFA franchise has been a reality of football to the players, the fans, and the media for 25 years. What's a core gameplay innovation? We continually play a game of innovation and improvement within the game we make. We want our players to be able to play the game for a long time without needing to relearn the controls. For the past few years, we have focused on bringing the game closer to what's possible in reality, as well as making the game more intuitive and responsive.
